ALL ABOUT ME

I graduated from Augusta State University in 2008 with a Bachelor's in Early Childhood Education. I continued my education at the University of Georgia and graduated with my Master's degree in 2009.

This will be my fourteenth year teaching elementary grades. I've taught Kindergarten, 1st, 3rd, 4th, and 5th grades.

This is my fifth year at G.S.I.C. and I absolutely love it!

I've been happily married to my husband, Jordan, for 12 years and we have two little girls, Kylee (10 years old) and Daisy (6 years old).

I love teaching! It truly is my passion!

THESE ARE A FEW OF MY FAVORITE THINGS..

Faith, Family, & Friends, school supplies, dark chocolate, sushi, Amazon Prime, decorating my home, vacations, and of course TEACHING
