Policies and Procedures

GRADING

Final grades are broken down into the following categories to equal 100%:

Tests and Projects 35%

Quizzes 30%

Classwork 25%

Homework 10%

LATE WORK/MISSING WORK

Late assignments are accepted up to 3 days past the due date with a 10-point deduction for each day late.

Assignments will not be accepted after the 3 days.

Missed assignments due to an excused absence will be accepted up to 5 days after return without deductions.

The 3-days late policy will take effect after the 5 days.

Technological issues do not excuse you from completing your work or communicating with your teacher.

Expectations

Students are expected to adhere to school policies and procedures at all times. The following expectations are set by the 7th grade teachers:

- Raise your hand to speak or stand.
- Be respectful to everyone. Do not interrupt the teacher or fellow classmates while they are speaking.
- Clean up after yourself in your area.
- Come prepared to class each day.

Failure to comply with school and classroom rules will result in the following consequences:

- 1st offense: Verbal warning
- 2nd offense: Sign the behavior log/complete the behavior think sheet
- 3rd offense: Sign the behavior log, teacher contacts parent, receive silent lunch
- 4th offense: Sign the behavior log and receive a referral to the office

Behavior Log signatures will be reflected in the student's conduct grade.

Field trip attendance will be based on behavior.

2 total office referrals; parent/guardian must attend with student.

3 total office referrals: student will not be able to attend field trip.

Meet your teachers

Mrs. Thompson

MEET THE TEACHER

This is my 29th year teaching and my 8th year at GSIC. I have been married for 27 wonderful years and have 2 children – a son and a daughter – and a granddaughter. I am very passionate about my faith, family, and profession. I love bringing math to life and applying it to real world situations.

ABOUT OUR CLASS

Google Classroom Class Code: [skvmi55](#)

This year students in 7th Grade Math will be building skills and acquiring knowledge connected to the following areas: The Number System, Expressions and Equations, and Ratios and Proportional Relationships. We will also focus on reading and writing in math as well as problem-solving strategies.

Mrs. Power

MEET THE TEACHER

This is my 5th year teaching Social Studies at GSIC. Outside of school, I love traveling, hanging out with my family, and eating delicious vegetarian foods! I am married to an Australian and we have 2 daughters who are in high school at GSIC.

ABOUT OUR CLASS

Google Classroom Class Code: [c5z4mo3](#)

Our year in Social Studies will focus on Southwest Asia, Southern and Eastern Asia, and Africa. Students work through geography, culture and religion, governments, economies, and history. We will discuss how certain people, such as Mahatma Gandhi and Nelson Mandela, made an impact on history.

Mrs. Lowe

MEET THE TEACHER

This is my 6th year at GSIC. I have been married to my husband for 4 years, and we have a son named Logan. I am about to have another little boy named Lincoln. I am a sports fanatic! Football is my favorite, and every Saturday in the fall I'm cheering on my Georgia Bulldogs.

ABOUT OUR CLASS

Google Classroom Class Code: [slk7zsz](#)

This year in Language Arts we will read several short and spooky stories. We will focus on expanding our vocabulary and becoming more comprehensive readers. We will also focus on becoming proficient writers, improving our grammar, and enhancing our spelling skills.

Mrs. Yoder

MEET THE TEACHER

This is my 6th year teaching 7th grade science at GSIC. I am married to Sheldon and we have 2 children. We enjoy camping any chance we get. Some of my favorite things are coffee, sweets, and southern gospel music.

ABOUT OUR CLASS

Google Classroom Class Code: [x54rltn](#)

In 7th grade you will study Life Science. We will learn all about living things and how they interact with nonliving parts of the environment. We will learn what makes up living things, how more living things are made, how we categorize living things and how living things change over time.
