Dear GSIC Athletic Booster Club Supporter:

Let me take this opportunity to introduce you to the 2020-2021 GSIC Athletic Booster Club. It is our hope to begin a tradition of developing our student athletes' character and athletic skills, as we build a successful Athletics Program at GSIC on a local and regional level.

Each year we are offering an opportunity to local businesses or family members to become an Athletic Sponsor. Our school is in its 5th year as a brand new charter school and our sports program is in its 4th year. Your contributions will be used to help purchase a scoreboard for the gym, build our new fields at the school, and help all of our athletic programs get the equipment they need for a successful season.

A volunteer board of officers and dedicated parents guide the GSIC Athletic Booster Club. We are a non-profit organization that does not receive financial assistance from the school in order to support the GSIC Athletics programs. Our primary revenue source is program fees paid by families, fundraisers, and donations received from generous individuals and businesses like you.

We appreciate your help in making this year a rewarding experience for our athletes. While any sponsorship level you select will be greatly appreciated, a donation of \$500.00 or more will earn you a Proud Patriot Sponsor name on a Sponsorship Banner to be displayed at the GSIC athletics events throughout the season. Other sponsorship levels are also available. Please take a moment to review and select the sponsorship package that best fits your business and/or budget.

Thanks again for your generosity!
