

# GEORGIA SCHOOL FOR INNOVATION AND THE CLASSICS

Dear GSIC Family:

As you already know, the on-site school facility will be closed from March 18th through April 12th. The faculty and staff have been busily working behind the scenes to prepare for instruction and make resources available for our students to continue learning at home. Offering the best education is still high priority, even during this very unusual and unexpected time in our history. It remains our central goal to ensure that our students stay on pace and are prepared not only for their return to school, but also for college and career opportunities in the future.

As one board member stated, this will be a unique opportunity for all of us to adapt to new ways of learning and growing while accomplishing it better than anyone else. We will monitor the process daily and make adjustments as we go, so we can continue to provide a quality education by innovative means. Our faculty and staff will be available during regular school hours via e-mail, Class Dojo, online messaging, and other web-based platforms to support, assist, and guide our families throughout the process.

We greatly appreciate your patience and value your feedback over the coming days and weeks. Stay safe and stay in touch!

*Julie Hawkins*

Principal
