Dear Parent or Guardian:

Please keep in mind GSIC does not offer a state run free/reduced lunch program. Lunches are student paid. Beginning March 1st, students with a zero balance will be allowed to charge two lunches. After which students will be given a complimentary peanut butter and jelly sandwich lunch with the understanding that the balance should be rectified immediately. Those students who have a negative balance will be given a complimentary peanut butter and jelly sandwich lunch. After three consecutive PB&J meals are served, other measures will be taken.

You may deposit money for food service accounts either through the Infinite Campus portal or at the school. If paying by check, please indicate the child's name for which the deposit should be credited.

If you have any questions, please feel free to contact me.

Thank you,
