## ATTN: STUDENTS AND PARENTS OF JUNIORS

The PSAT/NMSQT is a standardized test that 11th graders take in October. Like the SAT, it measures the knowledge and skills in reading, writing, and math students learn in the classroom—the same knowledge and skills your child needs to succeed in college and career.

By taking the PSAT/NMSQT as a junior, students may meet the requirements to enter the National Merit® Scholarship Program, an academic competition for recognition and scholarships. Additionally, the SAT, PSAT/NMSQT, and PSAT 10 connect students to another \$300 million in college scholarships
