

GEORGIA SCHOOL FOR INNOVATION AND THE CLASSICS

Dear families and friends of GSIC:

Welcome to the 2019-2020 school year! I am looking forward to working with all of you over the next few months, and I could not be more proud to serve as your principal! *Georgia School for Innovation and the Classics* is quickly moving up the ranks and is fast becoming one of the best schools in the area thanks to the dedication and commitment of our stakeholders and the community. We are excited to welcome the new families, students, faculty, and staff who will be joining us this year and who will contribute to the many accomplishments we have already enjoyed.

This year, our 5th year, will be one that will once again bring new milestones in the development and advancement of GSIC! A full complement of preschoolers and kindergarteners will enthusiastically be setting out on their educational journey. As we grow our sports programs, middle school football players and cheerleaders will be taking the field for the first time in our history. The graduating classes of 2022 and 2023 will be representing the high school going into its second year. And in addition to renewing our charter, we will be closing the book on official accreditation in January when the Accrediting Commission comes for its third and final visit.

As always, the faculty and staff are committed to helping each of your children achieve their greatest potential and reach new levels of success along the way. With our families, students, and teachers working together, I have no doubt we will exceed expectations! Thank you for choosing GSIC, and we appreciate your support as we continue to pursue excellence in education!

Please feel free to contact me or the school anytime. My e-mail is jhawkins@gsiccharter.com and the number for the front office is 706-434-8085.

Sincerely,

Julie Hawkins

Principal

Georgia School for Innovation and the Classics
