

WELCOME

Welcome GSIC Families, Friends, and Faculty to the 2021-2022 school year! Since the day the students left the building for the summer, we began planning for their return along with the arrival of our new students, and we are so looking forward to getting started!

Our **seventh** FIRST DAY as a school will be the FIRST DAY at GSIC for new students and Kindergarteners; the **seventh** FIRST DAY for many of our graduating Seniors; and for our other returning students, somewhere in between! No matter when our school became your school, we can't wait to meet you or greet you!

Georgia School for Innovation and the Classics is now, officially, a fully established and accredited K-12 charter school of 900 students strong! As a district, we are growing, moving up the academic rankings, and getting better every year. Thank you for having confidence in us as we continue to strive for excellence in education!

As always, the faculty and staff are committed to helping each of our students achieve their greatest potential in all areas of their lives and reach new heights of success every step of the way. With all of us working together, we are sure to accomplish our goals and beyond, just as we have every year since the FIRST YEAR!

Please feel free to contact me or the school anytime. My e-mail address is jhawkins@gsiccharter.com, and the number for the front office is 706-434-8085.

Wishing you the best for EVERY day of the NEW year,

Julie Hawkins

Principal

Georgia School for Innovation and the Classics
