

# GSIC Patriot Post

December 2020

## FROM THE PRINCIPAL:

Greetings everyone!

As we enter the last month of 2020, we continue to wish you all a happy, healthy, and safe holiday season! Despite all the changes and challenges that took place this past year, our GSIC families have stayed positive and worked through it with faith!

**Please take advantage of every last bit of learning for the remaining school days and do your very best before leaving for a well-deserved break!**

Please check GSIC message boards often for information about FFA, Beta Club, Athletics, After-school, and other activities. The Junior Varsity boys', as well as the middle school girls' and boys' basketball teams have games scheduled in December. Cheerleaders are participating in the HOME games. Track and field sports are being offered for the first time ever. Also, baseball try-outs will be taking place soon in preparation for the spring season.

Merry Christmas! Julie Hawkins
